The iam are based in **Vauxhall**, South London. The nearest station to our offices is Vauxhall. We are a 10 minute walk from the station.

From the underground please use **Exit 3**. When you arrive at street level, use the footbridge in front of you to cross Kennington Lane.

Walk along the right-hand side of Albert Embankment with the MI6 building and the River to your left. You will come to a **Texaco** petrol station on your right. Soon after you will reach a bar on the corner named **The Rose**.

Turn right at The Rose into Tinworth Street. Walk around 50 metres to the end of **Tinworth Street** and you will see the pedestrian gateway to the **Graphite Square** complex. Our offices can be found around to the **left** at the back of the courtyard.
