Inclusion within the Tuition Providers List does not indicate any kind of formal accreditation by the **iam** except where indicated. **iam** Accredited Centres have met the required criteria and satisfied the **iam** that its tutorial staff, its learning resources and its quality systems comply with our quality standards. Inclusion in the List does not guarantee that any programme will run, as this will depend on local market demand and other circumstances. The **iam** will ensure as far as possible that the information contained within the Tuition Providers List is as accurate and as up-to-date as possible.
